

Project idea

Date / / 20.....

Think of a name for your project

Write a tweet (280 characters) where you describe your project

What does this project look like in its most minimal but usable form?

How much time does it take to build that form?

..... hours

What do you hope this project will bring you? Why are you doing this?

Why wouldn't you do this? Why can it fail?

Ask someone to give a first reaction to your idea:
